

# International Vulture Awareness Day Craft

## Items Needed:

Black construction paper

Scissors

Yarn or string (at least 22")

Cotton

Pencil

Glue

## Instructions:

1. Cut out template of the bird outline on this page.
2. Place the cut out on your construction paper and trace with a pencil.
3. Cut out your traced bird on your construction paper.
4. Use scissors to cut fringes on your construction paper. See template, fringes are noted with dashed lines.
5. Take a small piece of cotton and stretch it out about an inch long.
6. Place glue along area that would be the neck of the bird. Place stretched cotton on the glue.
7. Cut your piece of string long enough to be able to pull over your head.
8. Use your pencil to punch two holes in your construction paper. See template, holes are noted by white circles on top ends of the wings.
9. Take one end of the string and pull it through one of the holes and tie it to itself. (Tip: you can use your pencil to push the string through the hole if the hole is small)
10. Take the other loose end of the string and pull it through the other hole and tie it to itself.
11. Enjoy.
